DESGRAVAME PARCIAL DE BACIA DE AMORTECIMENTO.

### JUSTIFICATIVA

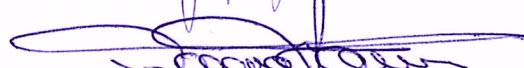

O presente desgravame parcial de Bacia de amortecimento constante no PDDUA, tem o seu perímetro atual definido em função do Plano Diretor de Drenagem, entretanto, a maior parte deste gravame é composto de imóvel pertencente ao Grupo Hospitalar Conceição que pretende neste mesmo imóvel efetuar ampliação do Hospital Conceição, razão pela qual justifica o desgravame parcial da bacia.

Esta resolução foi originada pelo expediente único 002.071230.10.6.
